- Dr. Timothy Hawkes (Resigned 14 November 2013)

Directors' Qualifications, Experience and Special Responsibilities

Name	Qualification	Experience	Special responsibilities
Ralph Kelly	MBA and Bachelor of Business from University of Technology, Sydney HSC from Sydney Grammar School	<ul style="list-style-type: none"> • Managing Director, Hemisphere Hospitality Solutions • Previous roles include: Accor Asia Pacific – National Director of Sales & Marketing (Resorts and Leisure), Rendezvous Hotels & Resorts International – Senior Vice President Sales & Marketing, Sabre Pacific – National Sales Manager, American Express responsible for travel management services to multi-national accounts, as well as Thomas Cook Travel Management and several sales roles at Qantas Airways Limited. 	Having seen first hand the results of alcohol-fuelled violence with the death of his 18 year old son Thomas, no-one is more aware of what can happen to an innocent victim. Driven by searching for results on why this happened, Ralph was the founder of the foundation when he saw that there was an opportunity to make a difference through: lobbying the Federal and NSW State Governments, working with the City of Sydney and key stakeholders on short to medium term solutions through to looking at and formulating longer term cultural and social change platforms around the misuse of alcohol.

Directors' Qualifications, Experience and Special Responsibilities (Continued)

Name	Qualification	Experience	Special responsibilities
Guy Reynolds AM	HSC from Waverly College	<ul style="list-style-type: none"> • Executive Director of Macquarie Bank. Employed since 1988. • Founder Macquarie Sports. • Founding Board Member of Layne Beachley and Liz Ellis Foundations. • Director of Matthew Hayden's Company The Hayden Way. • Board Member of Sun Hung Kai FX Hong Kong, Velocity Canada and Advanced Markets USA. 	His network of relationships spreads across the corporate and sporting communities at a high level. His responsibilities within the foundation rest upon these relationships to look at partnerships at various levels in order to make things happen.
Professor Gordian Fulde	Bachelor of Medicine and Surgery from University of Sydney Specialty Emergency Medicine and Surgery qualifications from the Royal College of Surgeons and Royal College of Physicians, Edinburgh	<ul style="list-style-type: none"> • Directors of Emergency Medicine, holding the position of Director of Emergency Services at St Vincent's Hospital Darlinghurst since 1983. • Director at Sydney Hospital Emergency Department and holds an appointment with St Vincent's Private Hospital. • Associate Professor of Emergency Medicine at the University of New South Wales and Professor of Emergency Medicine at Notre Dame University. 	Working on the front line of one of Sydney's largest hospital, he is more aware than most of the issues relating to alcohol-fuelled violence in our youth. Passionate is an understatement, in his will to make this topic top of mind so that change can occur to stop senseless violence in our youth.

Note 2 Summary of significant accounting policies (Continued)

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

Significant accounting judgements

Grants received

The company has applied for a number of government grants during the year. Once the company has been notified of the successful outcome of a grant application, the terms and conditions of each grant are reviewed to determine whether the funds relate to a reciprocal grant (i.e. payment for services rendered) in which case it is accounted for under AASB 118 Revenue or a non-reciprocal grant in which case it is accounted for under AASB 1004 Contributions.

For the financial period, no other particular estimates and judgements have been made that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial period.

(b) Revenue recognition

Revenue is measured at the fair value of consideration received or receivable. Revenue is recognised net of the amounts of goods and services tax (GST) payable to the Australian Taxation Office.

Revenue from fundraising

Donations

Donations collected, including cash and goods for resale, are recognised as revenue when the company gains control, economic benefits are probable and the amount of the donation can be measured reliably.

Legacies

Legacies are recognised when the company is notified of an impending distribution or the legacy is received, whichever occurs earlier.

Revenue from legacies comprising bequests of shares or other property are recognised at fair value, being the market value of the shares or property at the date the company becomes legally entitled to the shares or property.

Government funding

The company's activities are supported by grants received from the federal, state and local governments. Grants received on the condition that specified services are delivered, or conditions are fulfilled, are considered reciprocal. Such grants are initially recognised as a liability and revenue is recognised as services are performed or conditions fulfilled. Revenue from non-reciprocal grants is recognised when the company obtains control of the funds.

Interest income

Interest income is brought to account when the company's right to receive payment is established.

Interest income is brought to account using the effective interest method.

In-kind donations

Facilities donated for fundraising are included at the fair value to the company where this can be quantified and a third party is bearing the cost.

No amounts are included in the financial statements for services donated by volunteers.

Notes to the financial statements

For the financial year ended 30 June 2014 (Continued)

Note 2 Summary of significant accounting policies (Continued)

(c) Expenditure

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to a particular category they have been allocated to activities on a basis consistent with use of the resources. Premises overheads have been allocated on a floor area basis and other overheads have been allocated on the basis of the head count.

Fundraising costs are those incurred in seeking voluntary contributions by donation and do not include costs of disseminating information relating to the activities carried on by the company.

Support costs are those costs directly incurred in supporting the objectives of the company and include project management carried out by central administration, bank fees and travel expenses.

Research grants are amounts granted to institutions in Australia that specialise in research into reducing alcohol-related violence and anti-social behaviour amongst young people in Australia. Grants are recognised when paid to the institution or when there is an obligation to make payment under a contract.

(d) Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at bank and in hand and short-term deposits with an original maturity of three months or less where the investment is convertible to known amounts of cash and is subject to insignificant risk of changes in value. For the purposes of the cash flow statement, cash and cash equivalents consist of cash and cash equivalents as defined above, net of any outstanding bank overdrafts.

(e) Trade and other receivables

Trade receivables include amounts when the economic right to receive payment is established. Interest is accrued at the reporting date from the time of last payment using the effective interest rate method. Amounts are generally received within 30 days of being recorded as receivables.

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment. Trade receivables are generally due for settlement within 30 days. They are presented as current assets unless collection is not expected for more than 12 months after the reporting date.

(f) Trade and other payables

These amounts represent liabilities for goods and services provided to the group prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months from the reporting date. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

(g) Taxation

Income tax

The company is a charitable institution for the purposes of Australian taxation legislation and is therefore exempt from income tax. This exemption has been confirmed by the Australian Taxation Office. The company holds deductible gift recipient status.

Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST except where the amount of GST incurred is not recoverable from the Australian Taxation Office, in which case it is recognised as part of the cost of acquisition of an asset or as part of an item of expense.

Receivables and payables are recognised inclusive of GST.

Notes to the financial statements

Note 2 Summary of significant accounting policies (Continued)

Independent auditor's review report to the members of Thomas Kelly Youth Foundation Limited

Report on the financial report

We have reviewed the accompanying financial report of Thomas Kelly Youth Foundation Limited (the Company), which comprises the balance sheet as at 30 June 2014, the statement of comprehensive income, statement of changes in funds and cash flow statement for the year ended on that date, selected explanatory notes and the directors' declaration.

Directors' responsibility for the financial report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the *Australian Charities and Not-for-profits Commission Act 2012* (ACNC Act) and for such internal control as the directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express a conclusion on the financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2415 *Review of a Financial Report – Company Limited by Guarantee, or an Entity Reporting under the ACNC Act or Other Applicable Legislation or Regulation* in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* including: giving a true and fair view of the company's financial position as at 30 June 2014 and its performance for the year ended on that date; and complying with Australian Accounting Standards - Reduced Disclosure Requirements and the *Australian Charities and Not-for-profits Commission Regulations 2013*. As the auditor of Thomas Kelly Youth Foundation Limited, ASRE 2415 requires that we comply with the ethical requirements relevant to the review of the annual financial report.

A review of a financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis for Qualified Conclusion

Cash from donations and other fund raising activities are a significant source of revenue for the Company. The Company's directors have determined that it is impractical to establish control over the collection of cash donations and other fund raising activities prior to entry into its financial records. Accordingly, as the evidence available to us regarding revenue from cash donations and other fundraising activities was limited, our review procedures with respect to revenue from these sources had to be restricted to the amounts recorded in the Company's financial records. As a result, we are unable to express a conclusion as to whether revenue from cash donations and other fund raising activities is complete.
