do something kind this World Kindness Day
#dosomethingkind

World Kindness Day reminds us every November of what great opportunities we have to make a difference to someone's life. If each one of us, did just one act of kindness every day, that would equate to **9.1 Billion** acts of kindness a year (based on a population of 25 Million Australians), that's **25 million** acts for World Kindness Day. The possibilities are endless – together what a great country we can be.

It feels good to do good. Share and inspire #dosomethingkind kindness is contagious!

Leo Buscaglia, 1924 - 1998
